

HIGHLAND TECHNOLOGY

Highland Technology, Inc.
650 Potrero Avenue
San Francisco, California, USA

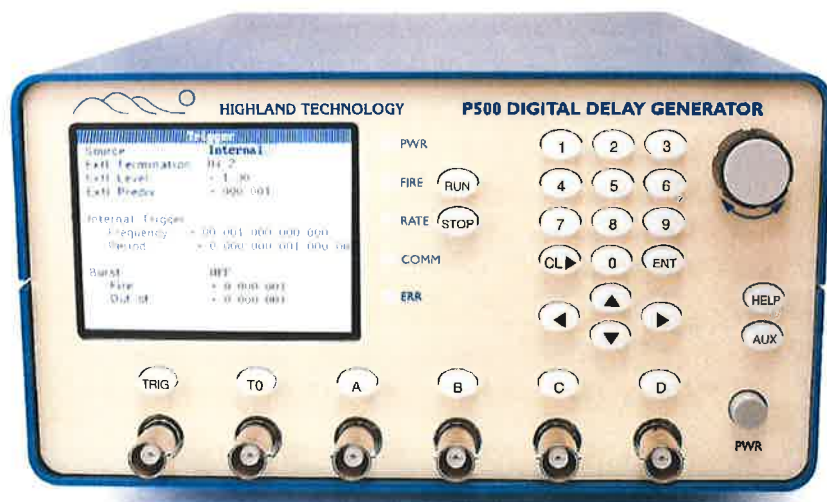

Supplier's CE Declaration of Conformity

Highland Technology declares under its sole responsibility that the P500 Digital Delay Generator is, to the best of its knowledge, in conformity with the following relevant European Union standards:

2014/35/EU Low Voltage Directive

2014/30/EU EMC Directive

EN 50581:2010 ROHS

Appropriate conformance documentation is on file at the manufacturer's facility.

Elizabeth Larkin, Vice President
