Address:

Country:

Phone:

Fax:

Email:

Responsible Party:

** If any other parties will be involved in this project or application please list them as well.

Item(s) Purchased:

End Use Description:

What is the exact nature of the business activity and application? Example: This requirement is for high voltage capacitors. We will use the capacitors to build a high voltage pulser to drive a lightning simulation for testing aircraft against lightning strikes. Please do not simply state that this is a capacitor for a HV Pulser without specific information concerning what the End Use application is.

Customer agrees to comply with export laws of the United States and obtain any license, permit, or authorization required to transfer, sell, export, or re-export the products purchased from Highland Technology, Inc.
